

Huntington teams up with Elevate Wellness

Huntington Insurance, an Affiliate Partner of The Physician Alliance, has partnered with Elevate Wellness to give TPA members access to a group medical plan, as well as other large company benefits on a proprietary platform.

Below are instructions to get started:

- Go to <https://eliteenroll.com/thephysicianalliance> to access the portal page.
- Type in Rep Code **JSOH2434** and confirm that the Rep Code is Jon Spiker.
- Click the "**Medical Plans**" button.
- Scroll Down and select either **CIGNA** or **Anthem/BCBS** and click on the word "**Elite.**"
- Follow the directions from there to enroll in the plan of your choice.

We understand the challenges that small businesses and independent contractors face when trying to enroll in quality medical coverage at competitive rates. If your only option is exchange plans with high deductibles, limited benefits, narrow networks, and expensive rates, then we encourage you to participate in this special program.

If interested in a tool that will enhance recruiting and retention efforts with employees and associates, this may be the solution for your medical practice!
