

Your Store Discount Program printable card is here!

The Office Depot Business Solutions Division is now ODP Business Solutions. This is part of our evolution in becoming a more agile, flexible, and innovative B2B company that focuses on organizations like yours.

Although there won't be any changes to your service, this evolution does require us to work a bit differently with Office Depot and OfficeMax® retail stores.

One of these necessary changes is replacing the current Store Purchasing Card Program with our new Store Discount Program.

What's new?

The new SDP will no longer provide you access to your discounted contract pricing; however, you will now receive a standard discount on certain product categories when you present the card:

Store Discount Card savings include:

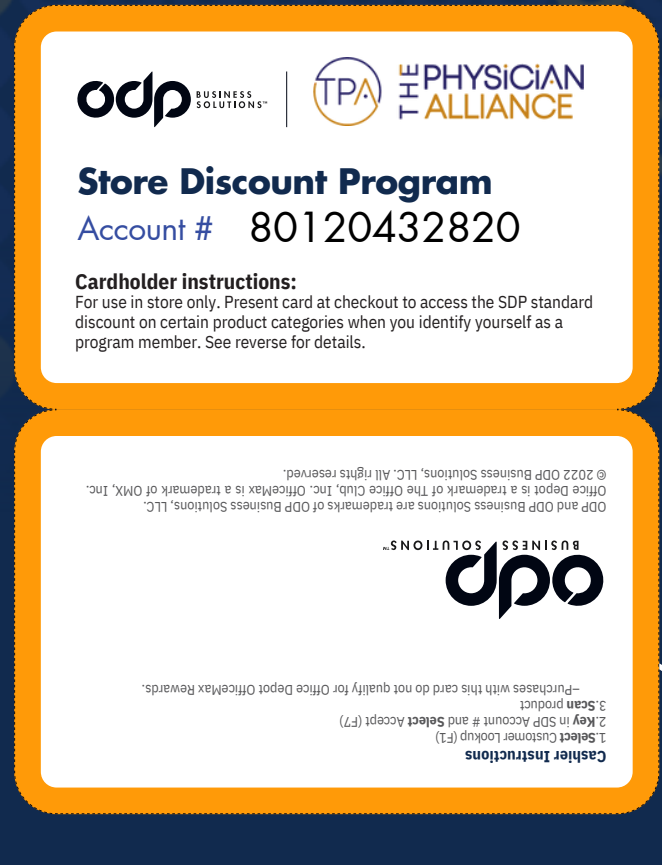

- Up to 30% off copy and print services
- 20% off on office, school and mailing supplies
- 10% on printer ink and toner
- 10% on furniture
- 10% on cleaning & breakroom supplies
- 20% on paper
- 10% on technology and IT accessories

Please note: Account billing will no longer be available with the Store Discount Program.

Download the ODP Business Solutions™ Mobile App for digital access to your Store Discount Program card.
